7. The description of the work is as follows:

“Construction of Telemetry Cabin at Uttarkashi Site Office”

Copies of other drawings and documents pertaining to the works will be open for inspection by the tenderers at the office of the above mentioned officer.

Tenderer are advised to inspect and examine the site and its surrounding and satisfy themselves before submitting their tenders as to the nature of the ground and sub-soil (So far as is practicable), the form and nature of the site, the means of access to the site, the accommodation they may require and in general shall themselves obtain all necessary information as to risks, contingencies and other circumstances which may influence or affect their tender. A tender shall be deemed to have full knowledge of the site whether he inspects it or not and no extra charges consequent on any misunderstanding or otherwise shall be allowed. The tenderer shall be responsible for arranging and maintaining at hi-s own cost all materials, tools & plant ,water, electricity access, facility for workers and all other services required for executing the work unless otherwise specially provided for in the contract documents. Submission of a tender by a tenderer implies that he has read this notice and all other documents and has made himself aware of the scope and specifications of the work to be done and of conditions and rates at which stores, tools and plants, etc. will be issued to him by the government and local conditions and other factors having a bearing on the execution of the work.

8. The competent authority on behalf of President of India does not bind itself to accept the lowest or any tender, and reserves its right to reject any or all of the tenders received without the assignment of any reason. All tenders in which any of the prescribed conditions are not fulfilled or are incomplete in any respect are liable to be rejected.
9. Canvassing whether directly or indirectly, in connection with tenders is strictly prohibited and the tenders submitted by the contractors who resort to canvassing will be liable to rejection.
10. The competent authority on behalf of President of India reserves to himself the right of accepting the whole or any part of the tender and the tenderer shall be bound to perform the same at the rate quoted.

11. The Contractor shall not be permitted to tender for works in the CWC Circle(responsible for award and execution of contracts) in which his near relative is posted as Divisional Accountant or as an officer in any capacity between the grades of Superintending Engineer and Assistant Engineer (both inclusive).He shall also intimate the names of persons who are working with him in any capacity or are subsequently employed by him and who are near relatives to any Gazetted officer in the CWC Department or Ministry of Water Resources. Any breach of this condition by the contractor would render liable to be removed from the approved list of contractors of this department
12. No Engineer of gazetted rank or other gazetted officer employed in Engineering or administrative duties in an Engineering Department of the Government of India is allowed to work as a contractor for a period of one year after his retirement from Government service, without the previous permission of the Government of India in writing. This contract is liable to be cancelled if either the contractor or any of his employees found any time to be such person who had not obtained the permission of the Government of India as aforesaid before submission of the tender or engagement in the contractor's service.
13. The tender for the works shall remain open for acceptance for a period of sixty days from the date of opening of tenders. If any tenderer withdraws his tender before the said period or makes any modifications in the terms and conditions of the tender which are not acceptable to government, then the Government shall without prejudice to any other right or remedy, be at liberty to forfeit 50% of said earnest money as aforesaid. Further the tenderer shall not be allowed to participate in the re-tendering process of the work.
14. This Notice Inviting Tender shall form a part of the contract document. The Successful tenderer /contractor, on acceptance of his tender by the Accepting Authority shall within 15 days from the stipulated date of start of work sign the contract consisting of :
 - a) The notice inviting tender, all the documents including additional conditions, specifications and drawing, if any, forming the tender as issued at the time of invitation of tender and acceptance thereof together with any correspondence leading thereto
 - b) Standard C.P.W.D Form 7/8
