OFFICE MEMORANDUM

Subject :- Rotation transfer, calling of applications-regarding

I am directed to refer to the subject mentioned above and to say that in connection with the ensuing rotational transfers in 2020, all Group 'A', 'B' & 'C' Officers of Hydromet cadre, who desire consideration of their requests for transfer are given an opportunity to indicate their preferences for place of posting of their choice (not more than 3 places/regions) in the attached proforma. Normal period of stay at a station is 3 years and in the case of North East region it is 2 years. Option for transfer, if exercised before completion of 3 years (2 years in case of NE, if applicable) of stay at a place, can be considered as request for transfer at own cost and needs to be mentioned clearly while giving options by the applicant. The choices exercised will be taken into consideration as far as possible. However, keeping in view the exigencies of work and administrative requirements, postings may be made to any office.

2. In view of above, the request for transfer/option for choice places or regions may be forwarded in the given proforma, through proper channel. The choices may be consolidated region-wise and sent with the recommendations of Field Chief Engineers through S.E. (Coord.) of the Regional Organisation / Chief Engineer concerned at Head Quarter, so as to reach the Under Secretary in charge of the Establishment Section concerned latest by 30.11.2019.

3. Further, the officers concerned may give options for field postings appropriately keeping in view of its requirement for Promotion/NFU. This should be clearly indicated at the designated place in the Proforma. Officers who are yet to complete field tenure and are likely to be adversely affected on grant of NFU are specially advised to forward their application for consideration of transfer to field formations. Those seeking exemption from field posting would give an undertaking that onus of their not getting promotion/pay parity for want of field tenure would be on them. Further officers who are likely to get promoted during the Ist Half of 2020, may also indicate their choices for consideration of posting upon promotion.

4. The contents of this Office Memorandum may kindly be brought to the notice of all officers of Hydromet cadre of CWC and other technical and Ministerial officers/staff of CWC.

5. Further, it has been observed in the past that a few officers either through their family members and/or through VIP references try to pressurise

administration/placement committee to accede to their request for posting. It is assured that administration/placement committee strives to post officials to their choice place of posting subject to availability of vacancies, transfer policy, work requirements and administrative constraints. All are, therefore, requested not to bring out any undue pressure through their family members, VIP references etc., else action for violation of CCS (Conduct) Rules, 1964, read with CCS (CCA) Rules, 1965, shall invariably be initiated against the erring official(s).

Enclosure: As above.
