 Subject: : Workshop / Interactive session on Arc GIS

Dear Shri Chauhan,

We would like to appreciate your effort for organizing the 1-day Workshop at CWC (HQ) on Latest Trends in Geo-spatial Technologies wrt Water sector, which was found to be quite useful for the participants. Taking a lead from the input provided by the participants, I would like to explore the possibility of an Interactive Session of extended duration, maybe about 3 to 4 days, either at CWC (HQ) or in the premises of ESRI on Arc-GIS features specially focused on hydrology and flood related aspects that could be useful for users of this software in CWC in these domains. A mutually agreeable date, preferably in the first week of Dec, 2019 may be worked out, if possible.

You may convey your feedback for taking this forward.

Regards.

Director

Hydrology (C) Dte.

CWC, New Delhi.
