

Ministry of Jal Shakti  
Department of Water Resources, RD&GR  
Central Water Commission  
River Data Compilation-2

To,

The Chief Engineers (CSRO, Coimbatore/ B&BBO, Guwahati), CWC

**Subject:** Regarding renaming of level II+ type water quality laboratory to level III type.

Sir,

As you are aware that CWC has well established monitoring networks of water quality. The sites of water quality spread over the pan country and covered major river basins of India. CWC also maintains three tier water quality laboratory systems, which can be categorised into three type viz. level-I, level-II and level II+/III.

In this regard, it is informed you that competent authority has decided with respect to water quality laboratory system, that level II+ lab is renamed as level III type. Therefore, instead of level II+ ,these labs will be known as level III type in future.

In view of the above, it is requested that necessary instructions may be given to concerned level II+ lab of your organisation to rename it to level III type lab.

This is for kind information and necessary action please.

This issues with the approval of Member (RM),CWC

Yours faithfully

(Pankaj Kumar Sharma)  
Director
