**PROGRAM DURATION**  
**21-25 September-2020 (1 Week)**

Organized by  
NATIONAL WATER ACADEMY, PUNE

## INTRODUCTION

Surface Water hydrometric network is a system of river gauging stations in a river basin at which river stage, discharge and water quality and sediment are observed. The proper maintenance of station and Site office is part of the duties of staff at site

This training programme shall cover all the finer issues involved in maintenance and day today working at site office and to answer practical difficulty.

## PROGRAM OBJECTIVE

The program will comprise of online classroom sessions, case studies and discussions and will cover the frequently asked question and practical problem and solutions for staff at field formation on the following topics:

- ❖ General Maintenance of Site Office
- ❖ Display and Plotting Of Graphs
- ❖ Various Display Board
- ❖ Various Installation at Site
- ❖ Maintenance Of Advance sensors based Site and Telemetry

## PROGRAM FORMAT

The Registered participants will be given the Class Code by the Academy, on entering which they will be able to access the training modules consisting of voice over presentations, Videos etc. Program contains online lecture modules and Discussions using "Google Classroom". For facilitating to join the training, the participants must register themselves in the "Google Classroom". Participants will be required to complete an online Assessment through Multiple Choice Questions (MCQ) after completion of each module.

It is estimated that the dedication needed to successfully complete this course is a total of about 6-8 hours,. As this is an online course, the officials can participate in the program without taking any leave from the office and would have flexitime.

## FACULTY

The faculty will be drawn from the core faculty of NWA and experts of the relevant topics. The faculty will be available for online and offline interaction during the program duration.

## TARGET GROUP

The DL program is intended to benefit the Officers and staff in Field formation, **EE, SDE, JE, Observer,**

**Work Sarkar, SWA, Site Supervisors, Outsourcing Staff** working in CWC, Central and State Govt. agencies involved in Hydro metrological data collection.

## PROGRAM FEE

There is no program fee.

## PARTICIPATION

The nomination may be sent to the Program Coordinator latest by 19<sup>th</sup> Sept 2020 by 1700. Confirmation on acceptance of nominations will be uploaded on NWA website (<https://nwa.mah.nic.in>) under the "Upcoming Events" link by 21<sup>st</sup> Sept 2020 by through Google Form . Participants will be awarded a certificate of participation at the end of successful completion of training.
