Sir,

I am directed to refer to Central Water Commission's letter No. V-11/69/2019-Estt-XII-339(E), dated 28.10.2020, on the subject mentioned above and to say that the instant proposal has been examined in the light of extant guidelines of the Departmental Scheme for grant of temporary status and regularization of Seasonal Khalasis in the Work-charged Establishment (WCE) of the Central Water Commission and CCS (Pension) Rules, 1972.

2. It is noted that counting of service for pension benefits and subsequent pension benefits being provided to Seasonal Khalasis under WCE of CWC is being done in terms of Scheme issued by the Department, with the approval of the Cabinet, who fulfil the eligibility criteria in terms of CCS (Pension) Rules, 1972. Hence, any change in the Scheme will require the approval of the Cabinet.

3. Thus, the proposal of CWC for counting of 50% of the period of service rendered as Seasonal Khalasis (without temporary status) and 100% of the service rendered as Seasonal khalasis with temporary status for pension benefits is not found a fit case to be agreed to.

Yours faithfully,
