No.A-60011/85/2019-Coordn.

Dated: 15<sup>th</sup> September, 2020

Dear Secretary

As you are already aware that Department of Legal Affairs (DoLA) being the nodal ministry for Legal Information Management Briefing System (LIMBS) has started its implementation in coordination with Ministries/Departments of the Government of India. I am further pleased to share that LIMBS Ver.2 has been integrated with District Courts and is likely to be granted API access to the High Court websites, whereby data in relation to pending cases would become accessible and can be directly fetched from e-Courts website subject to entering of the CNR number.

However, I may draw your kind attention regarding non-updation of court cases pertaining to Union of India by several departments on the web portal in LIMBS Ver.2 developed by National Informatics Centre (NIC). It has also been observed from the Dashboard and MIS Reports generated through LIMBS Ver.2 that the court cases entered by the user Ministries/Departments do not reflect the CNR number. Also, some of the cases do not bear the correct case number which handicaps the access to data and generation of reports.

I may impress upon that proper entry of data on LIMBS platform would ease the work of user Ministries/Departments to a great extent and enrich the user experience with better monitoring of court cases.

I am, therefore, to request you to personally look into the matter regarding proper updation of cases on LIMBS platform since the progress in this regard will be reviewed by the Cabinet Secretary in meeting scheduled on 18<sup>th</sup> September, 2020 with DoLA and NIC. Further, the Nodal Officer of your Ministry/Department may be instructed to accord due priority to the matter and ensure to enter all the cases with correct CNR No./Case No. by 17<sup>th</sup> September, 2020 under intimation to DoLA.

With warm regards,

Yours sincerely,

Dated: 15<sup>th</sup> September, 2020

Dear Secretary

As you are already aware that Department of Legal Affairs (DoLA) being the nodal ministry for Legal Information Management Briefing System (LIMBS) has started its implementation in coordination with Ministries/Departments of the Government of India. I am further pleased to share that LIMBS Ver.2 has been integrated with District Courts and is likely to be granted API access to the High Court websites, whereby data in relation to pending cases would become accessible and can be directly fetched from e-Courts website subject to entering of the CNR number.

However, I may draw your kind attention regarding non-updation of court cases pertaining to Union of India by several departments on the web portal in LIMBS Ver.2 developed by National Informatics Centre (NIC). It has also been observed from the Dashboard and MIS Reports generated through LIMBS Ver.2 that the court cases entered by the user Ministries/Departments do not reflect the CNR number. Also, some of the cases do not bear the correct case number which handicaps the access to data and generation of reports.

I may impress upon that proper entry of data on LIMBS platform would ease the work of user Ministries/Departments to a great extent and enrich the user experience with better monitoring of court cases.

I am, therefore, to request you to personally look into the matter regarding proper updation of cases on LIMBS platform since the progress in this regard will be reviewed by the Cabinet Secretary in meeting scheduled on 18<sup>th</sup> September, 2020 with DoLA and NIC. Further, the Nodal Officer of your Ministry/Department may be instructed to accord due priority to the matter and ensure to enter all the cases with correct CNR No./Case No. by 17<sup>th</sup> September, 2020 under intimation to DoLA.

With warm regards,

Yours sincerely,

(Anoop Kumar Mendiratta)

D.O No.60011/IT/5/2018-Admn.IV(LA)

Dear Secretary,

As you are aware LIMBS application is implemented for the monitoring of Court cases in different Departments/Ministries of Government of India and more than 14159 users have already entered 6.21 lakh court cases. It is worth noticing that MIS reports are enabled to present the data entered in a systematic manner.

2. In order to have a correct and clear data management, it is necessary that regular updation/correction of data is carried out by users in the Ministry/Department. In this regard a request has already been made by the Department of Legal Affairs vide D.O. letter of even number dated 10.02.21 whereby the nodal officers of the Departments/Ministries were impressed upon that the cases in LIMBS entered by the users be updated with correct CNR number which is available on ecourts website (<https://ecourts.gov.in>) (copy enclosed).
3. The progress of updation of data in LIMBS is being regularly reviewed by the Cabinet Secretariat and some of the departments are yet to take the initiative.
4. I shall be grateful if you could take up the matter with the nodal officers and other concerned officers in your Ministry/Department and impress upon them to verify the entry of cases in the correct field and update the CNR numbers of cases in LIMBS on priority. An updated status report in this regard be forwarded at the earliest for review of the progress made by individual Ministry/Department in augmenting the LIMBS platform.

With warm regards,

Yours sincerely,

(Anoop Kumar Mendiratta)

10<sup>th</sup> February, 2021

Dear Madam/Sir

As you are aware, Legal Information Management and Briefing System LIMBS 2.0, a web application for the monitoring of court cases in different Departments/Ministries of Government of India has been put in place by the Department in association with NIC. As on date more than 14159 users have already entered 6.2 lakh court cases in LIMBS. It is also worth noting that MIS reports can be generated in different formats on the basis of data entered by the users.

2. I may draw your attention that the cases in LIMBS entered by users in your Ministry/Department are required to be updated with correct CNR numbers which are available in eCourts website (<https://ecourts.gov.in>). In this regard LIMBS team of this Department have reached out to the individual users for entry of CNR no. and have also conducted number of training sessions by virtual mode and extended assistance over phone. However, the CNR no. has not been entered for a majority of the cases in your Department.

3. As the progress of updation of data in LIMBS is likely to be reviewed at a high level shortly, I shall be grateful if you could take up the matter with the users and concerned officers in your Ministry/Department and impress upon them to verify the entry of cases in the correct fields and update the CNR numbers of cases in LIMBS on priority. An updated status report in this regard be forwarded by 18.02.2021 for review of the progress made by individual Ministry/Department in augmenting the LIMBS platform.

With Regards

Yours sincerely,

30<sup>th</sup> March, 2021Dear *Nodal officer*,

I invite your attention to this Department's DO letter of even number dated 23.02.2021 and 04.03.2021 regarding updation in LIMBS of correct CNR number of cases entered for various High Courts and District Courts.

2. It has been noted from feedback received from users of various Ministries/Departments that they are facing difficulty in finding out the CNR number of their respective court cases. The matter was taken up with NIC and its technical team. I am happy to inform you that a simple and innovative process has been developed which provides an alternate and easy way for updating the CNR number on LIMBS portal without any need of prior verification of its availability and correctness. The steps to be followed in this regard are as per annexure enclosed.

3. I shall be grateful, if you could share this process with the users of your Ministry/Department and impress upon them for utilising this feature, which will help in streamlining the case data on LIMBS portal with data base of cases before various High Courts and District Courts in the country through API linkage facilitated by CNR No.

*Regards,*

Yours sincerely,

*Ram*

Sir,

On monitoring the details of cases on LIMBS portal, it has been observed that many of the users have not entered/updated one or more fields on LIMBS such as Status Head, Financial Implication, Advocate Name, Case Date, Last Date of Hearing and Next date of Hearing. It is therefore requested that the requisite details may be entered on the relevant filed on LIMBS portal and the status report in the matter may kindly be furnished to this office immediately.

Regards,

Establishment - IV Section,  
MoWR,RD&GR
