WEBINAR SERIES ON "WATER INSIGHT / जल अंतर्दृष्टि" TALK BY EMINENT WATER EXPERTS

**Government of India
Ministry of Jal Shakti
Department of Water Resources,
River Development & Ganga Rejuvenation
Central Water Commission
National Water Academy, Pune**

Introduction & Objective

As you very well know that India's Water sector is facing huge challenges in respect of providing it in sufficient quantity to the users – of requisite quality – and in the time of their need. Such situation has always been so though with different issues, different actors, different solutions which sometimes resolved fully, sometimes partially and may be sometimes couldn't cross bureaucratic hassles. Officers of Central Water Engineering Services have always been main actors or sometimes side actors in facing Water sector issues domestically or with neighboring countries. Veteran CWES Officers has a long rich experience in various facets of water sector including technological, managerial, and administrative aspects and sharing of which with working CWES Officials would be of immense benefit to the sector and will equip the Officials to deal with various situations using your experiences more effectively.

With the above intent, NWA has planned a weekly webinar talk series titled as "Water Insight/ जल अंतर्दृष्टि – Talk by Eminent Water Experts". One experience sharing on every Wednesday at 1100 hrs, preferably of 90 minutes followed by interaction with participants.
