Dear Nodal officer,

As you are aware, LIMBS web application is operational *inter alia* in different Departments/Ministries of Government of India for the monitoring of court cases and more than 15215 users have already entered details of 6.8 lakh court cases till date. It is worth mentioning that MIS reports are enabled to present the data entered by the users in a systematic manner.

2. I would, however, like to draw your attention towards the feature of marking of **important cases** available on the LIMBS portal. As of now, a total of 975 cases have been marked as '**Important**' by the Nodal Officers of various Ministries/Department depending on policy, administrative or financial implications etc. of the case. It may be noted that Nodal Officers have the facility to mark/unmark any particular case entered by the users of their Ministry/Department, as an important case.

3. In this regard, for any technical assistance and training, the LIMBS team of this Department is available on email [projectlimbs@gmail.com](mailto:projectlimbs@gmail.com) and [legis@nic.in](mailto:legis@nic.in). The team has been conducting number of training sessions and has been extending assistance over phone to users and Nodal Officers.

4. I request you to take up the matter with the users and concerned officers in your Ministry/Department to identify and mark important cases of your Ministry/Department and monitor the progress of such cases on priority. Also many Nodal Officers are yet to identify and mark important cases. You may, therefore, kindly utilize this feature of LIMBS for the benefit of monitoring important litigation of your Ministry/Department.

Regards,

Yours sincerely,

RMani

(Dr. Rajiv Mani)

To,
