Dear,

This has reference to issue of denial of pensionary benefits to Seasonal Khalasis due to non completion of minimum qualifying service of 10 years. As advised by the DoWR, a request was made to all field offices for sending us details of all such Seasonal Khalasis who have superannuated before 2016 and who have been denied pension benefits under the provisions of CCS(Pension) Rules, 1972 for not completing 10 years of qualifying service, vide letter dated 17.8.2022 followed by reminders dated 8.9.2022 and 27.9.2022 (copies enclosed). It was also requested to furnish the financial implication in case one-time relaxation in calculating qualifying service is allowed to such retiree. However, complete information is still awaited from your office.

2. The information furnished by some of the Divisions/ Circles are incomplete, as they have either not indicated the financial implication or not furnished consolidated information in respect of all offices under their Circle.

3. I shall be grateful if you could look into the matter personally and furnish the consolidated information in respect of all the circles/divisions under your charge along with the desired financial implication expeditiously for following up the matter further with DoWR, RD & GR.

With regards,

Encl: as above.

Yours sincerely,

(Samir Chatterjee)
