OFFICE MEMORANDUM

Subject:- Bringing political or other outside influence by the officials of CWC to further their interests in respect of their service matters - violation of Rule 20 of CCS (Conduct) Rule –reg.

Of late, it has been observed that some of the CWC employees are bringing outside pressure in service matters especially in the matters relating to transfer/postings. Representations received through VIPs or through close relatives of the employees in this regard is a clear violation of Rule 20 of the CCS (Conduct) Rule, 1964 which provides that no Government servant shall bring any type of political or other outside influence to bear upon any superior authority to further his/her interest in respect of matters pertaining to his/her service under the Government. This tendency of CWC employees has been viewed seriously.

It is brought to the notice of all CWC officials that they should desist from bringing or attempting to bring any political or outside influence to bear upon any superior authority to further their interest in service matters. On violation, necessary disciplinary action shall be taken against such officers/officials under the provisions of CCS (CCA) Rules, 1968.
